From the Principals:

We had an absolutely MARVELOUS start to the 2023-2024 school year! PGS teachers and Piney, our school mascot, greeted students as they arrived on the first day. Students spent the week making connections with their teacher and classmates, practicing classroom routines, and generating expectations for our shared spaces like the playground. We were so impressed how quickly students demonstrated being safe, kind, and responsible. Likewise, they exhibited very responsible behavior at our first fire drill. Attached is a letter with more information about our safety drills at PGS. [First Fire Drill 2023](#)

On Thursday night, we welcomed parents and caregivers to Curriculum Night. Teachers shared details about their specific grade level knowledge and skills, social emotional learning, organization and homework plans, and ways to stay connected. At PGS we are so lucky to have such supportive parents and families that volunteer, plan events, guest read, and fundraise for us. We strongly believe that partnering with our families is important for student success.

~Mrs. Borio & Mrs. Buckle
