**From the Principals:** The month of February is Black History Month. It was created in 1976 to focus attention on the contributions of African Americans to the United States. This month we will bring awareness to black Americans in our classrooms and throughout school. Classes will have the opportunity to watch and learn about famous black Americans and celebrate their accomplishments, then add to a timeline displayed in our school. It is important to remember that Black History Month is not just about famous black Americans, it is also the stories of ordinary black people still living and those who are not who fought and continue to fight for civil rights. Black History is American History and while we highlight and celebrate in February, we are committed to teaching about the contributions of black Americans throughout the year.

## Super Bowl of Kindness Challenge:

February is Random Acts of Kindness month, so to celebrate, the Community Council will be doing a "Super Bowl of Kindness" challenge. From February 5th to 9th, when a student catches another student doing a random act of kindness in school, they will tell a classroom teacher who will fill out a paper football.

The student will then put the football in their grade level jug/bucket that we will have in the front lobby. Then, at the end of the week before the Super Bowl, we will see which grade has the most acts of kindness, and they will be awarded a prize! Please see the attached [flyer](#) for details. We are looking forward to all the random acts of kindness.
