From the Principals:

On Monday, Avon Public Schools will be closed as our nation celebrates the life of Dr. Martin Luther King, Jr. While schools across the country use this important date to teach about acceptance, equity, and understanding, PGS believes it is our responsibility to ensure that Dr. King's legacy is recognized, celebrated, and honored throughout the school year. Throughout this month, teachers will be reading stories, looking at images, completing activities and learning about the life and mission of Dr. King.
