**From the Principals:** As you may know, we are always working to ensure that our school is the safest it can be, and recently we had some upgrades at PGS that will allow us to change our visitor protocols slightly. When you arrive at Pine Grove you will be greeted and let into the first set of doors if you have business at the school. Paul or one of our administrative assistants will buzz you in and ask that you register as a guest via the iPad. Once you scan your ID, a badge will be printed, and we will open the second set of doors to provide access to the building. You will not need to register as a visitor if you are dropping your child off, they will be permitted into the building and we ask that the adult dropping them off fill out the late arrival log on the table between the glass doors. If you are dropping off an item to your child such as a lunchbox, backpack, or instrument, you do not need to register as a guest, those items can be left on the table and we will ensure that your child retrieves them from the office. Any other reason for a visit WILL require you to register and receive a badge, including visiting the nurse, picking up a child from the nurse, volunteering within the school, or speaking with someone in the office. Thank you in advance for your patience as we work to maintain the safest environment for our children.  
~Mrs. Borio & Mrs. Buckle

## Nurse's Corner

### Quick Note from Nurse Strait:

Hello! Just a friendly reminder; PLEASE do not send your child to school if they have had a fever or vomiting within 24 hours. Also, if anyone would like to donate new boys underwear or gently used pants, I am still running very low for boys. Thank you for helping to keep our community healthy!

## YEARBOOK

Please upload your children's photos to this [link](#) all year long. The more photos the PTO have, the more students they are able to feature in the yearbook.

**New Bingo Save the Date:** It is now Friday, March 1, 2024. More details to follow.
