From the Principals:

We hope you have enjoyed hearing about your child's school year thus far at parent-teacher conferences. March meetings are typically a time when parents start to ask about next year. This year we have created a survey form for any family that would like to share information with us that you feel is important to consider when we place your child in a class next year. Please remember that any request for a specific teacher will not be considered. Filling out the placement survey is optional. While it is helpful for us to get feedback from parents, the placement process is the responsibility of the school staff.

Please click on the following Google Form if you wish to share information about your child.
